Farm Characteristics

SOP products used

SOP COCUS MAIZE+

Mr. Alloisio told us,

“I'm pleasantly surprised!

*The effect of the product is **evident**, I wasn't expecting it!*

*The part treated with the SOP product is **much more developed!***

This year, for the first time, we did minimal tillage; the only difference between the two portions was the addition of the product to one of them.

*The results are **clear!***

Next year I want to try it on the mash crops!”
