Giuliano Franchi told us,

*“We initially used SOP Gold Pro Cow for the **bio-hygiene** of the barn environment.*

*In 2018, seeing the results and thanks also to our good farm management, we introduced **SOP Star Cow**, with the objective of **increasing animal wellbeing and productivity**.*

*Even the **reproduction parameters**, in synergy with our farm choices, **improved**.*

*We also use the **SOP products for crops**, with **optimum results**.”*
